

1. About the Organisation / Research Group	
Organisation Name	Bilkent University
Department	Industrial Engineering
Contact Information	Name: Bahar Yetiş Kara Position in the Organisation: Associate Professor Tel: +90 312 290 3156 Fax: +90 312 266 4054 Email: bkara@bilkent.edu.tr

2. R&D Capabilities	
Areas of R&D Expertise / Primary Functions / Products or Services	Main areas of research include: hub location, distribution logistics, hazardous materials transportation, hazardous waste transportation and disposal

3. Interests for R&D Collaboration in FP7 Transport Theme
SST.2008.2.1.2 Improved services in terminals
SST.2008.2.5.1 Interoperable rolling stock
SST.2008.2.6.1 Intelligent highways
SST.2008.3.1.2 Intelligent mobility systems and multi-modal interfaces for transport of passengers
SST.2008.3.1.4 Urban freight delivery systems
SST.2008.3.1.7 Large event mobility management (especially in big cities).
SST.2008.4.1.1 Safety and security by design
