

## The European Union's Seventh Framework Programme (FP7)

### Theme 2: "Food, Agriculture and Biotechnology"

#### Activities in 3 main areas:

##### Activity 1

Sustainable production and management of biological resources from land, forest and aquatic environments

##### Activity 2

"Fork to farm": Food, health and well being

##### Activity 3

Life sciences and biotechnology for sustainable non-food products and processes

The European Union's Seventh Framework (FP7) runs from 2007-2013 with approximately 2.5b Euro allocated to Theme 2. The "Third Countries", and this includes South Africa, can participate in almost all aspects of FP7 with an appropriate level of financial support from the programme.

Food, agriculture and biotechnology related expertise can also be applicable in other Thematic Priorities such as:

Theme 1: "Health",

Theme 4: "Nanosciences, Nanotechnologies, Materials and New Production Technologies",

Theme 5: "Energy for biofuels and bioenergy", and

Theme 6: "Environment and Climate Change" (especially "environment and health").
