## Partner Search Support

Are you interested in participation in EU Research Projects within the Societal Challenge 6 "Europe in a changing world - inclusive, innovative and reflective Societies"?

To spread your partner search, you can profit from our online Partnering Portal.

The partner search service is open for all partner searches relating to topics of Societal Challenge 6 "Inclusive, innovative and reflective societies".

The Net4Society database will offer both profiles of partners interested in becoming involved in existing or currently forming consortia as well as partner searches of research consortia looking for specific additional partners.

The Partnering Portal has been linked with our non-call related online database "Research Directory". Enter your data in our Research Directory and insert a Partner Search profile afterwards.

*Enter your profile to find and to be found!*

# Simple rules for participation

## Minimum conditions

- At least 3 independent legal entities
- established in different member states (MS) or AC
- *(Additional conditions may apply, see work programme)*

## H2020 – types of countries

- EU Member States (MS) => automatic EU funding
- Associated Countries (AC) => automatic EU funding
- Third Countries
  - Eligible for H2020 funding (Africa, Middle East and South America)
  - Own funding through automatic mechanisms (Asia & South America)
  - Partners need to look for own funding (North America and Australia)

# How to participate?

## Any institution may participate either as a Partner or as a Coordinator

### ➤ Responsibilities of the Coordinator:

- Submits the proposal and (generally) leads the project.
- Reporting responsibilities
- Receives payment from the Commission and distributes to partners
- Acts as a 'hub' for queries between Partners and Commission

### ➤ Resources and Benefits

- Coordinator receives adequate funding for resources to manage the consortium. Costs are claimed as incurred and cannot lead to a profit.
- Closer links to Brussels
- Prestige (?)

# Who can participate?

## Almost any legal entities such as: :

- Universities (public and private)
- Research Centres (public and private)
- Companies (SMEs, big companies)
- Local authorities
- Associations, International organisations

## Based in :

- EU Member States
- Associated Countries e.g. Norway, Israel, Turkey,
- International Co-operation Partner Countries (ICPC)
