

## ESASTAP 2020: Horizon 2020 Information Sharing Session on Funding Opportunities

### INVITATION

**Date:** 15 November 2018  
**Venue:** Centre for High Performance Computing (CHPC) Cape Town  
**Time:** 14:00 – 16:00

#### **Background**

The Strengthening Technology, Research and Innovation Cooperation between Europe and South Africa, ESASTAP 2020 (E2020) coordination and support action will be hosting a Horizon 2020 Information Sharing Session on 15 November 2018 at the **Centre for High Performance Computing (CHPC) Cape Town, CSIR Campus, 15 Lower Hope St, Rosebank, Cape Town.**

The purpose of the H2020 workshop is to share open calls for proposals focusing mainly on Space Science and ERA-NET Cofund on Raw Materials (ERA-MIN 2). The workshop will serve as an ideal opportunity for South African based researchers, especially those institutions interested in cooperating with European organisations and institutions under H2020 to learn more about the administrative requirements and the procedure to be followed when submitting proposals. Details will be presented on the various advisory and support services, availed by the ESASTAP 2020 platform, to support South African-European cooperation under Horizon 2020.

#### **Background of H2020**

H2020 is the European Union's (EU) Framework Programme for research and innovation stems from the combination of "Europe2020" and the "Innovation Union" and is a successor to the 7<sup>th</sup> Framework Programme, providing investment support on research and innovation. H2020 is the biggest EU Research and Innovation Programme ever with €80 billion of funding available over 7 years (2014 to 2020).
